**ISSF Events:** Standard Pistol; Centre Fire Pistol; Sport Pistol

**PPC Events:** PPC (Police Pistol Combat)1200 (20yds; B-27R and B-29 targets)

### LOCATION OF RANGE

The A&DRRA Range is in Arnprior, Ontario. To get to the club, take the White Lake Road exit off Highway 417. Turn to the right (towards Arnprior, if coming from Ottawa) and go down to the second set of lights, at Baskin Drive. Turn left and follow Baskin Drive until it becomes a big sweeping curve to the right. This curve is where Baskin Drive becomes Division Street. About halfway around the curve, you will see Division Street as a turn on your left, where it goes to the clubhouse. Turn left here and follow it to the ramp that goes over the 417. The road to the clubhouse is on the left on the rise of the ramp. You should see a blue and white sign with the address number 474 on it. Turn left and follow the road down and around to the clubhouse — the concrete block building with the red door. Range is 20 yards with six positions.

### SCORING, CLASSIFICATIONS & AWARDS

Scoring is done by the competitors. Signature of competitor on the score card makes the score final.

An event must be shot and scored a minimum of three times to qualify for prizes. Prizes consist of trophies adapted from those won by Red Doolittle during his lifetime, or a cash award. Competitors choose their award preference once for the match.

ISSF events are sanctioned by the SFC and can be applied to SFC classifications. PPC events the same for CPCA. Highest current classification card must be shown for all events. Those competitors without a classification card will be entered as Temporary Expert for ISSF and as Temporary Master for the PPC events. MASTER will shoot for open awards only. Awards will be given to each class with 7 or more competitors at the end of the season. A class with less than 7 may be grouped with the next higher class.

We reserve the right to cancel an event with only one registered competitor and to move that competitor to a different date or time for their event. We will try to notify the competitor at least one day prior to the event.

**EYE and EAR protection are mandatory.** Match rules and procedures are per CPCA and ISSF rules, as interpreted by the Match Committee.
