LOCATION OF RANGE

The A&DRRA Range is in Arnprior, Ontario. To get to the club, take the White Lake Road exit off Highway 417. Turn towards Arnprior and go down Daniel Street to the second set of lights, at Baskin Drive. Turn left and follow Baskin Drive until it becomes a big sweeping curve to the right. About halfway around the curve, you will see Division Street as a turn on your left, where it goes to the clubhouse. Turn left here and follow it to the ramp that goes over the 417. The road to the clubhouse is on the left on the rise of the ramp. You will see a blue and white sign with the address number 474 on it. Turn left and follow the road down and around to the clubhouse — the concrete block building with the red door. Range is 20 yards indoors with six positions.

ENTRIES

Matches open to ALL competitors from any club. Walk-ons are permitted but with six positions at the range they are not guaranteed a spot. **Register online at www.targetscores.com (preferred) or by email to arnpriorrra@gmail.com.** Events are \$10 each. SCORING, CLASSIFICATIONS & AWARDS

Scoring is done by the competitors. Signature of competitor on the score card makes the score final.

An event must be shot and scored a minimum of three times to qualify for prizes. You can pay and compete in an event more than once per weekend. Prizes consist of trophies adapted from those won by Red Doolittle during his lifetime, or a cash award. Competitors choose their award preference once for the entire match, all events. Black Powder matches are \$5 and have no prizes.

Highest current classification must be used for all events. Unclassified competitors will be entered as Temporary Expert. MASTER will shoot for open awards only. Awards will be given to each class with 5 or more competitors at the end of the season. A class with less than 5 may be grouped with the next higher class.

We reserve the right to cancel an event with only one registered competitor and to move that competitor to a different date or time for their event. We will try to notify the competitor at least one day prior to the event.

EYE and EAR protection are mandatory. Match rules and procedures are per ISSF and NRA rules, as interpreted by the Match Committee.
